

Dear Roger Clap Families,

Join Roger Clap's Family Council meeting [TODAY at 5pm on Zoom!](#)

Every family at the Clap is part of our Family Council and this is an important way for each family to share feedback, meet other families, and help improve our school. We need YOUR voice!

During the meeting today, families will:

- help plan the January Coffee & Tea event with the Principal
- learn about leadership opportunities
- identify a family representative for each classroom
- share about upcoming fundraising events

Winter Gear - Please send your learner to school with appropriate winter clothing so they can enjoy outdoor recess (weather permitting). Please reach out to Mrs. DP for winter gear support.

Dress Warm!
