Meet Roger Clap's Specialist Team

Art: Connie Cummings (M, T, W, TH, & F)

- She is excited to be back at the Clap school for her 13th year as the Visual Arts Teacher
- She promotes the importance of the visual arts in the student's lives, the world around them, throughout history and in different cultures
- Students will engage with collage, clay, acrylic and tempera paint, watercolors, colored pencils, drawing and 3-D sculpture.

Contact: ccummings@bostonpublicschools.org (or the school @ 617.635.8672)

Library: Keshia Koech (M, T & ½ Wed)

- She grew up in Boston & attending BPS Schools.
- She has worked as a BPS teacher primarily in upper elementary ELA and Humanities roles.
- She enjoys reading, writing, and traveling.

Contact: kkoech@bostonpublicschools.org

Boston Music Project: General Music & Instrumental Music Program (TH & F)

Mr. Glennon (Mr. G) is a distinguished graduate from Sunderman Conservatory and Longy School of Music, specializing in Trumpet Performance and early childhood music education. He will be providing all early childhood music, STEAM music, and digital music for grades K1-3 and leading 4th-6th grade brass and winds.

The following staff will support the Grade 4, 5 & 6 instrumental program.

Mr. Carr (Woodwind Teaching Artist)

Ms. Mikayla (Trombone Teaching Artist)

Mr. Volel (Trumpet Teaching Artist) (right)

Physical Education (PE) & Health Education (HE) Teacher : Maralene Zwarich (M, T, W, TH @ the Clap)

- PE: SEL concepts that will guide our learning are: Be Safe, Be Honest, Set Goals, Let Go & Move On.
- Students will have fun through engaging and meaningful activities that get us moving and learning many diverse ways to become lifelong movers
- HE: Students will learn how we can keep our bodies healthy and happy through a comprehensive BPS skills based Health Education curriculum: Healthy and Safe Bodies (K2-Grade 6)

Contact: (617) 682-2062 & mzwarich@bostonpublicschools.org

Science Specialist Grades 3-6: Dean Martin (T, W, & TH @ the Clap)

- Students will engage with hands-on experiments, inquiry-based investigations, and collaborative learning experiences that will help them develop their scientific knowledge and skills.

Contact Information: dmartin2@bostonpublicschools.org (or the school @ 617.635.8672)

In order to best support the growth of students as scientists, Mr. Martin will increase his time with Grades 3-6.
